

Join us for our winter educational event:

Seasonal Salads Made Simple

Dr. Rosanne Iversen teams up with the Elevated Olive to demonstrate how to transform simple salads into a festive favorite for the holidays. You'll learn how to build on a foundation of greens or grains with an assortment of winter fruits and veggies, and how to change them up for a never ending variety of salads....we'll even show you the best way to break down a squash!

RSVP by Nov. 30 so we can make sure to have enough veggies for everyone to sample.

Date: Tuesday, Dec. 5th

Time: 5:30 pm

Location: Alpine Design Kitchens
685 Marketplace Plaza #C6, Steamboat Springs
